

Helping Hands
Estate Services, LLC

MISSION STATEMENT

Helping Hands Works to provide support and services to individuals and/or their families during times of need and transition. We endeavor to protect our client's rights, privacy, and positions. We act as an extension or the family to allow the client to fulfill goals they have established and remain as independent as possible.

WHO ARE WE

20 Years Experience

We are a small family operated company with over 20 years of experience working with clients. We have personal, family experience concerning transitioning and caring for seniors and understand the emotional hardships.

Community Relationships

Helping hands has held contracts with the city of Lincoln since 2002. We have established good working relationships with pharmacies, medical supply and equipment companies, and many other community organizations. We can help you obtain the resources needed to maintain independence in your home.

The Team

Our Team is a specially developed team of diverse staff. We are able to build strong relationships in order to provide supportive services in a close, caring manner. We are able to provide customized services which fit your needs.
